

Conference Objectives

1. Teach Aging Unit Directors, Nutrition Directors, Aging and Disability Resource Center and Area Agency on Aging Staff, who are bringing positive change to communities to find an effective voice to communicate their vision.
2. Understand new service delivery models that will fulfill important goals of the Wisconsin Aging Network's role in the development and operation of the new long-term care system.
3. Provide toolkits and techniques for building Aging and Disability Resource Centers and developing partnerships/coalitions.
4. Understand the needs of people with developmental and physical disabilities and the needs of people with mental illness and substance use disorders.
